

Construct a stuffed "mole" from the pattern provided using any cloth-like material and stuffing of your choice. The mole must be sewn together; staples, glue or other methods of construction are not acceptable. Develop a theme for your mole and decorate it appropriately. Create an ID card and secure it to the mole with string or ribbon. The ID card must be 5 cm x 7 cm and have the mole's name, mole address, mole occupation and it's owners name (that's YOU!).

Requirements for the "Mole"
